20. The parties agree that if at any time in the future a participant of any of the plaintiffs comes forward with evidence of hours worked for defendants, but not reported by defendants, the plaintiffs may pursue such remedies as they may have with respect to said unreported hours.

21. This Settlement Stipulation does not include the settlement of any withdrawal liability the defendants may now have or may have in the future.

22. This Settlement Stipulation constitutes the entire understanding between the parties with respect to the matters addressed herein and supersedes any and all prior written and/or oral agreements, representations, warranties, statements, promises, undertakings or understandings, if any, pertaining to the subject matter hereof.

24. The parties agree and hereby state that the consideration stated herein is the sole consideration for this Settlement Stipulation and that such consideration is contractual and not a mere recital.

25. Each of the parties to this Settlement Stipulation hereby represents and warrants to one another that he or it has read this entire Settlement Stipulation, that the contents are fully known and understood and that the same has been executed by its own free will, without any promises other than as set forth herein, threats or the exertion of duress upon it.

This Settlement Stipulation is intended to benefit the parties only, and shall not be construed to benefit any person not a party hereto.
